**WINES - "Amarone della Valpolicella Cl. Riserva Caterina Zardini 2010" and "Valpolicella Cl. Superiore Caterina Zardini 2013"** (both dedicated to the wife of the founder in early 1900s) are two of the wines tasted that we most enjoy: they are full, with a nice tannic evolving nerve, spicy and with wood scent, convincing in the typical features and affordable in the balance price/quality. More easy wines but with an immediate full satisfaction are **"Valpolicella Cl. Superiore Ripasso 2013"** and **"Valpolicella Cl. Le Bine 2014"**. From the estate Roccolo del Lago we enjoyed **"Bardolino Cl. Roccolo del Lago 2014"** and **"Bardolino Chiaretto Cl. Roccolo del Lago 2014"** both fresh, fragrant and lively.
